COLLEGE CONNECT FORM

Directions:

Dear Scholar, you are starting to review a college. Let's get organized! Here is a step-by-step guide for researching any college.

BASIC INFO
College/University:
Major of Interest:
Program, Major or College Housing this Major:
Link(s) to the department or major:
Common Data Set Information
Field C7: Does this university track demonstrated interest?
Field C9: What is a competitive SAT score?
Field C9: What is a competitive ACT score?
Field C11: Percent who had a 4.0 GPA?
Field C10: How many of the applicants are admitted from the top 10%?
Field F1: If this is an out-of-state school for you, what percentage of students are admitted from out-of-state?

1. What did you learn while researching this program, major and/or institution?

2. What are you most impressed with here?

3. What labs, facilities, faculty members or resources peak your interests?

4. Describe a tradition, organization, club or research opportunity that is unique.

VIRTUAL TOUR

Please take a virtual tour of the college you are researching (Google College Name + Virtual Tour).

1. Write down any impressions, questions or comments below:

ADMISSION'S INFO

Review admission's info about this college from the college website (Google College Name + Freshman Profile).

Two other great resources are the College Board (go to web page) and CollegeData.com.

<u>REQUIRED:</u> For a DEEPER dive into testing stats, we recommend referencing the COMMON DATA SET. Google University Name + Common Data Set. Click the link/find applicable year then select Ctrl-F (Command-F), type "C7" into the pop-up box. Scroll accordingly to see stats.

IMPORTANT: Add information on your APPLICATION TRACKER (dynamic list sheet).
